“ Right from our initial enquiry we received great service and customer care from the weddings team. The venue is so unique and our guests absolutely loved it. The catering was gorgeous and nothing was too much trouble. Thank you for helping to make our day perfect! ”

Your big day should be memorable so why not do something different and travel underground through 428 million years of history to get married in the Majestic Singing Cavern.

This amazing space can accommodate up to 98 guests who all travel by boat to the venue.

Alternatively, our Legger Suite Function Room and Gongoozler Restaurant are now both fully licensed for wedding ceremonies as well as being available for your wedding breakfast and celebrations. Each room can be booked separately or together. With both venues you have access to our beautiful canal side balcony, the perfect place to sip on a cocktail as the sun sets.

Please note that DCTT do not organise any of the legal aspects of the wedding or the registrar. You are responsible for organising this yourself.

The Cavern can accommodate up to 50 guests seated for the ceremony.

A Second "Trip Boat" is available for anyone who wishes to view the ceremony from the gallery area although they are not able to depart the boat. This boat can hold up to 48 passengers, taking your maximum total to 98.

The Bride will travel by our "JCB Tugboat". This has a flat platform with space for photographers to take their pictures.

Our caverns and boats can be decorated to suit but you must provide these decorations.

# Wedding Breakfasts & Receptions

Rich in character and oozing style, our Portal building offers the perfect venue for your wedding breakfast and/or reception.

Our catering team can provide a great offer, with something for everyone's taste and requirements. We can offer everything from welcome/toast drinks and canapes, a great selection of buffet menus, tantalising sit down meal options and a classy high tea. Best of all we also have a fully licensed bar in both our Legger Suite and The Gongoozler.

Unfortunately at this time we do not offer entertainment and decorations in house but we are more than happy to help facilitate anything you may bring in or any vendors your hire to make your day perfect for you.
