

PADDLING THE DUDLEY CANAL AND CAVERNS

Please send booking enquiries to info@dctt.org.uk

The Dudley Tunnel and Caverns are privately operated by Dudley Canal and Tunnel Trust, passage through the tunnel must be pre-arranged with a minimum of 48 hours notice and not impact the regular operations.

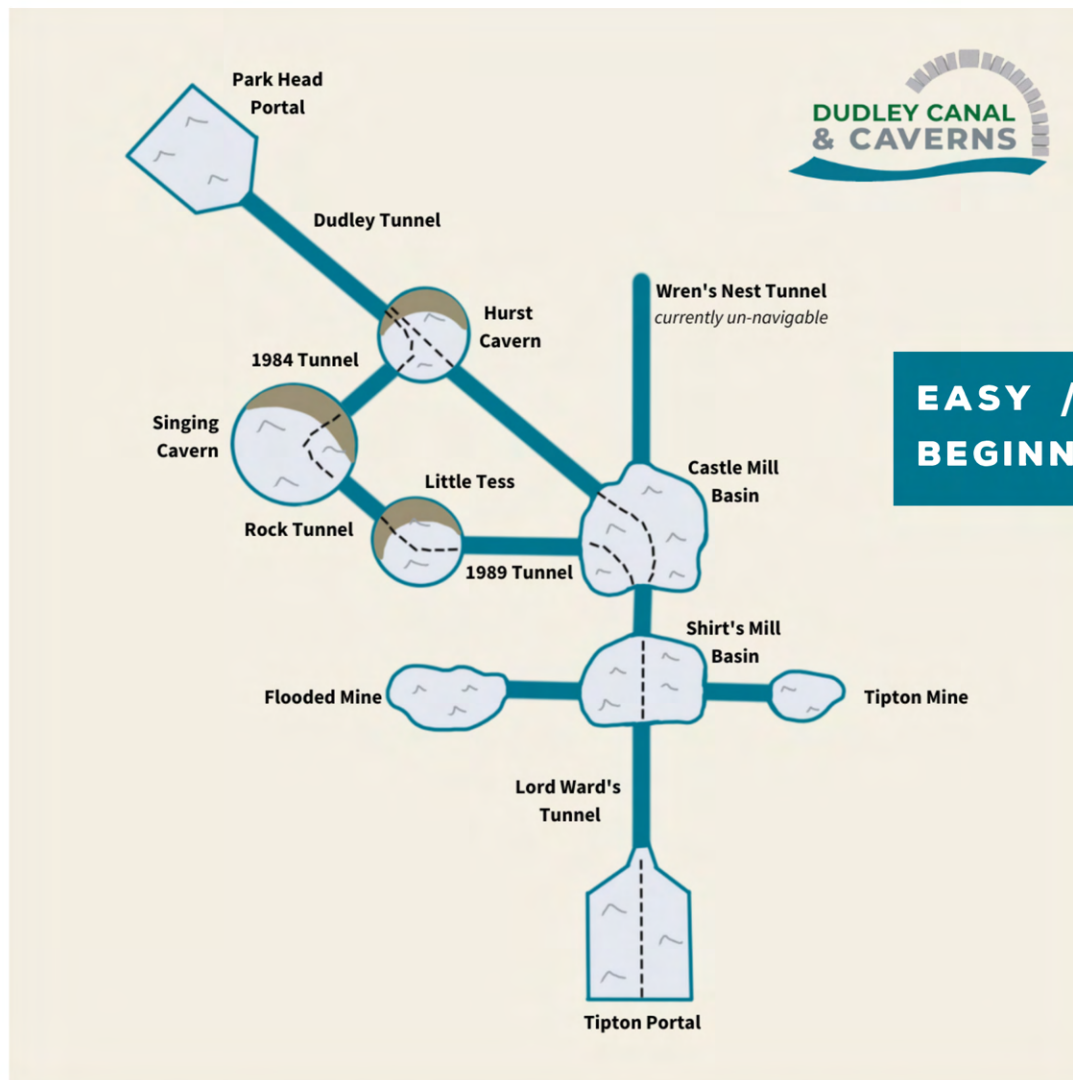

Paddlers must be part of a professional club and covered by their own insurance (please note you must be able to provide documentation upon request). Trainers and instructors must be present at the exercise and ensure individual paddler ability. PPE must be worn at all times and rules must be followed (see page 3). We are able to provide the use of hard hats but individual buoyancy aids, head torches, and other relevant PPE is not available to hire. A minimum of 15 paddlers are required to book.

The cost per person provides access to a privately operated underground network; made up of incredible limestone mines and caverns dating back 450 million years. Included is the provision of a safety boat, which will escort the group through the Caverns and Dudley Tunnel, and two trained staff who will be operating the vessel, and who will lead any emergency response, escape/evacuation if required.

ROUTE 1

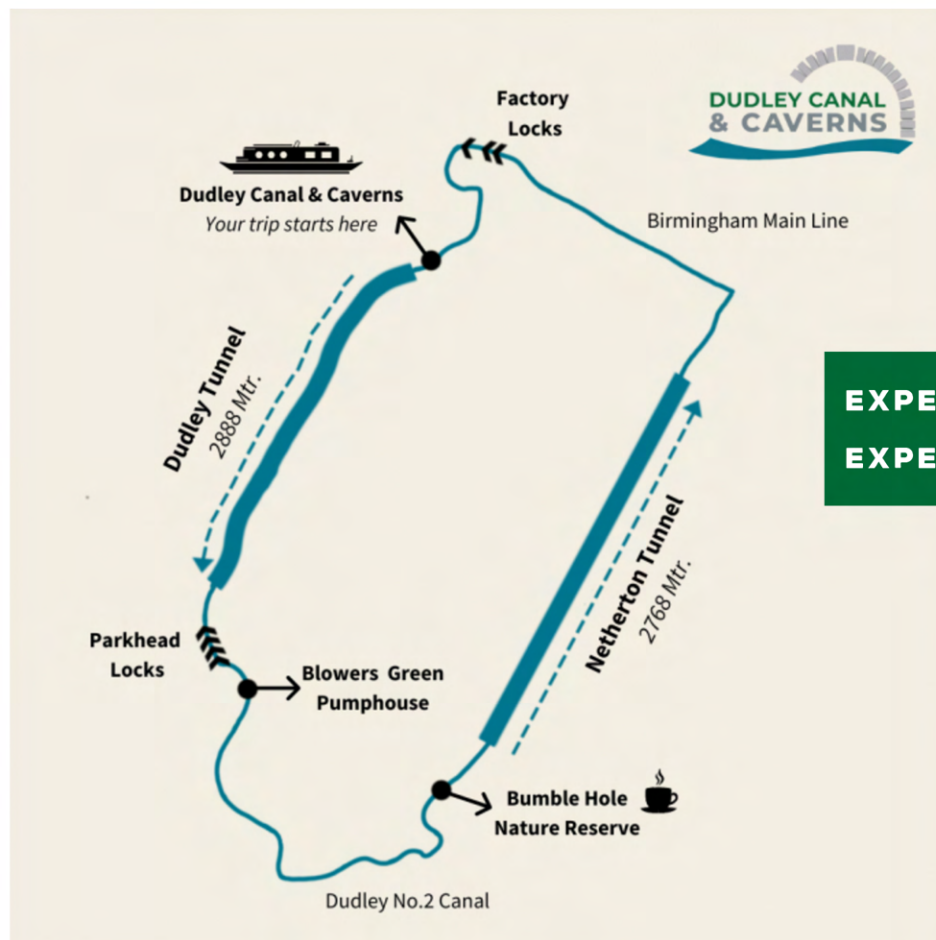

**EASY /
BEGINNER PADDLE**

Route 1: A scenic adventure through the Dudley Tunnel

Join us for a four-mile return trip that will take you on a journey through the historic Dudley Tunnel network, where you will discover a variety of caverns and open basins. Our experienced skippers will guide you through the second longest canal tunnel in England, measuring 2,900.5 meters. You will travel the full length of the tunnel and then turn back at the beautiful Parkhead Nature Reserve.

On your way back, you will enjoy our amazing shows in Singing and Hurst Cavern, featuring light and sound effects. Your trip will end at the Portal building, where you can relax and indulge in hot drinks and meals at our Gongoozler Restaurant. You will also find a Canal & River Trust service block and a spacious car park on site.

ROUTE 2

**EXPERT /
EXPERIENCED PADDLE**

Route 2: A 10-mile circular tour of Dudley and Netherton Tunnels

Experience the thrill of traveling through two historic tunnels on this 10-mile circular route that also covers two sets of locks. You will cruise along the canal and enjoy the beauty of the Bumblehole Nature Reserve, a perfect spot to take a break and refresh yourself at the cafe and toilets.

IMPORTANT NOTE - MUST READ:

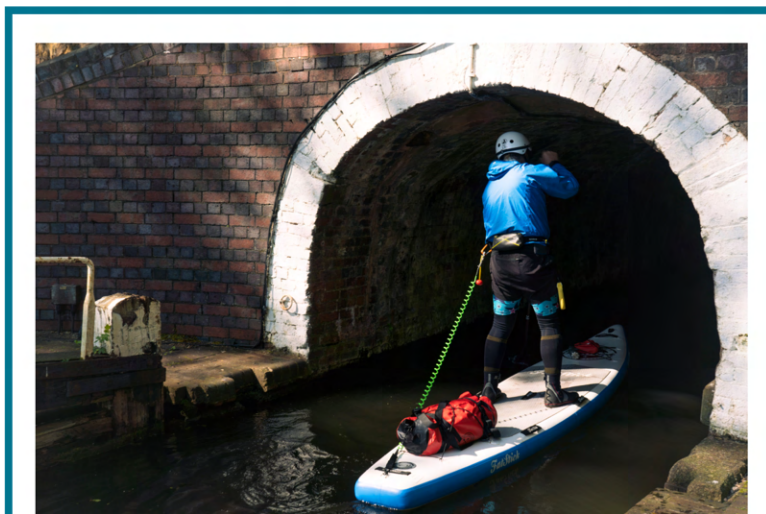

To book this route, you will need to arrange a closure of the Netherton Tunnel with Canal and River Trust by following this link:

<https://canalrivertrust.org.uk/things-to-do/events/canal-events-canal-festivals/planning-an-event>

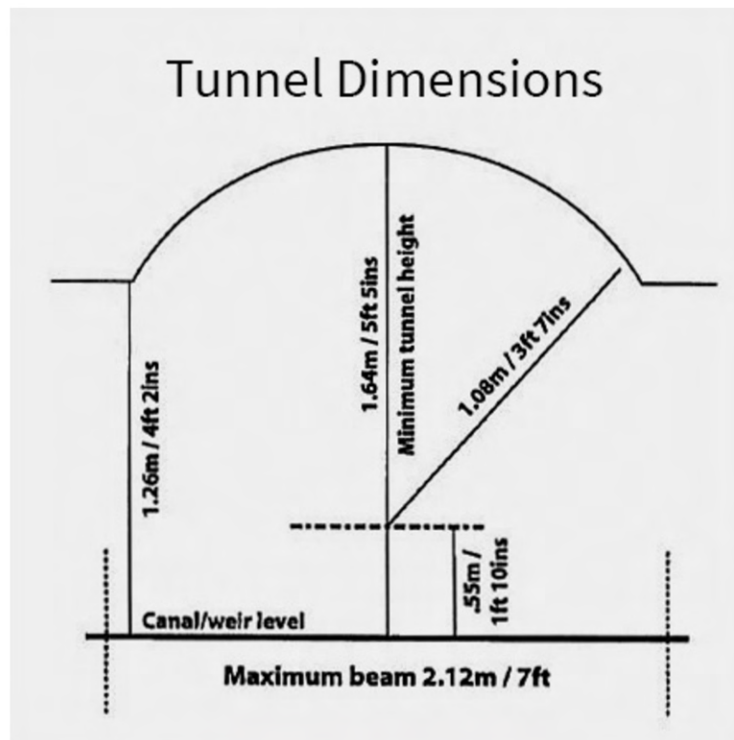

Please note that there is a fee for the closure of the Netherton Tunnel, which must be paid and organised in advance. Canal & River Trust recommend organising this closure with at least 3 months' notice.
